

CENTENARY TOUR *to* TASSIE

100 Years of Bentley Motoring

The Bentley Drivers Club of Western Australia are at it again!
We are planning a rally in October 2019 to November 2019
Starting in Adelaide South Australia, winding our way through
Victoria and onto Tasmania where we will do a lap around the
Island.

The plan is for approximately 26 nights with nearly all nights
being a minimum two-night stay. We are looking at a budget
of around 11 000 GBP per car carrying two people. For those
that haven't been on our rallies before this includes all
accommodation, breakfasts, most nightly meals, mechanical
back up and luggage truck, and some wonderful functions.

There are some truly beautiful places to see, including
World Heritage Listed parks, stunning ocean drives and
areas steeped with interesting history.

Spaces will be limited so it's a case of first in best dressed!
